III. Reports

1. Report 2008-79

Public Comments

Susan Campbell, 363 Brentwood (Collingwood Estates) stated that, for the past 10 years, the drainage around her property has been very poor; to the point where there is now a sinkhole in her back yard. Because there is no basement, and rainwater collects around her house, her carpets are ruined; her wallpaper is peeling and there is a crack on her living room wall. Attempts by the Town have fixed the problem temporarily. Highway Superintendent, Scott Hillman, apprised Casey Cowan, Town Engineer, of this area's problems and Chris Amico, Town Engineer from CRA, reported that a current drainage study of that area by himself and Casey will be completed soon and, hopefully, solve this problem will be solved. He also said that drainage problems along River road will be addressed.

Robert Slavin, 970 River Road, again questioned the Town Board's decision to reject his application for the rezoning of his property on Lake Road, Town of Porter. Attorney Dowd told Mr. Slaven if he still disagreed, he could file an Article 78. Councilwoman

Orsi tried to explain that the Town Board didn't want to rezone until the land use document was completed. Town Clerk was requested to send Mr. Slaven a copy of the rezoning request and denial from December 10, 2007 Town Board Meeting minutes.

Carl Fellows, owner of Casey's Diner, 3645 Ransomville Road, Ransomville, states there has been a strong odor of septic coming from the storm drain in front of his diner, resulting in the loss of a few customers. Conversation included perhaps calling the Health Department... to flushing out the storm sewer.... to putting some sort of "citrusy" liquid down the drain to alleviate the odor. Superintendent Hillman will talk to the Niagara County Health Department.

At the end of the meeting, Carl Fellows spoke again thanking the Ransomville Volunteer Fire Company members and Explorers for their volunteer work at Porter-on-the-Lake last weekend. They carried brush, moved garbage cans and painted. The Fire Department loaned out a dozer and paid for their own fuel. Thanks, too, to Tom and Mary Segrist.

Porter-On-The-Lake**“PORTER-ON-THE-LAKE” PARK COMMITTEE MEETING
May 29, 2008**

Attending:

Norm Ault Tony Collard Caroline Garbaty Dan Miner Bob Reese Pete Welsby Mert Wiepert
 Dan Bristol Jim Collins Don Larrabee Nancy Orsi Richard Roach Larry White Brian Winger
 Fran Boltz Carl Fellows Ernest Lavigueur Jipp Ortiz Denise Blankenship-Schmoyer Linda White

The fifth general meeting of the “Porter-on-the-Lake” Park Committee was held in the Porter Town Hall at 6:30 P.M. on Thursday, May 29, 2008. Prior to the start of the meeting the secretary passed out a copy of the agenda, the minutes from the May 8th general meeting, an updated Park Committee roster and a *Buffalo News* article dated May 18th on the results of a Town of Wheatfield park survey. Chairman Bristol called the meeting to order and Vice-Chairmen Tony Collard and Carl Fellows assisted. The secretary read the minutes of the May 8th meeting and they were accepted without discussion. No correspondence was received. Chairman Bristol recognized Dan Miner, a reporter from the *Niagara Gazette* who had been invited to the meeting by Denise Blakenship-Schmoyer of the Functionality/Use and Preview Day sub-committees to do a follow up story on the status of the “Porter-on-the-Lake” Park.

Index cards were provided for those in attendance to write down their questions and to turn them into Norm Ault at the conclusion of the meeting. These questions would then be forwarded to the appropriate sub-committee for action.

Councilwoman Orsi and Councilman White were in attendance along with Supervisor Wiepert and Bookkeeper Ault. Supervisor Wiepert gave an update on the progress of repairs in the park. He advised the Porter Town Council has approved the mowing bid submitted by Pro-Mow and that Pro-Mow has recently mowed the grass. H.W. Bryk & Sons Plumbing, Heating and Cooling was repairing the plumbing in several park buildings in addition to the restroom pipes and faucets. Furthermore, Bryk has installed a propane hot water on demand system and two roof top exhaust fans as required by code in the restrooms. The Supervisor advised that a water leak was discovered after the water was turned on in the area of the entrance to the restrooms. Denise Blakenship-Schmoyer advised that she would check with Steven Schmoyer to repair any drywall or ceramic tile in the restrooms. The Town Water and Sewer Department is scheduled to repair this water break on Monday, June 2nd. In addition, the Town Highway Department has placed stone on the main driveway from Dietz Road to the parking area. In regards to the pavilion Supervisor Wiepert advised that he has received a low bid on roofing materials from Alside Supply Center and he will contact the Sheriff’s Work Release program for manpower. Committee member Gary Meteor is surveying the electrical system in the park and repairing those circuits he is able to repair. Lastly, the Supervisor advised that he would contact Cooper Sign regarding repairs to the flagpole and Modern Disposal to empty the park’s dumpsters.

Chairman Bristol called upon each sub-committee for their report. In the absence of Don Burns, Linda White advised that the Functionality sub-committee’s recommendations on park policy were forwarded to the Recreation Commission for their review. Bookkeeper Ault obtained a copy of the Functionality sub-committee’s recommendations and forwarded it to the Town Council for action. Linda White, chairwoman of the Preview Day sub-committee, advised that her committee had met prior to the general meeting. Mrs. White stated that plans were proceeding on schedule for a June 15th preview opening, but more volunteers are needed to work on June 14th for setup and on June 15th for the event. Preview Day will occur on June 15th from 10A.M. until 4 P.M. with refreshments served around noon. Ernie Lavigueur will email each committee member and advise them to contact Chairwoman White if they are available to work on one or both of these days. Supervisor Wiepert had previously discussed the highlights of the Infrastructure and O & M sub-committees. Ernie Lavigueur advised that Harry Greenwald’s missing cell phone had been recovered in the park’s old picnic/recreation area and was returned to him. In addition, the Town Highway Department will be wood chipping branches in the park on Monday, June 2nd weather permitting. Reporting on the Grants/Survey sub-committee, Norm Ault advised that the “Porter-on-the-Lake” Park Survey has gone out to each Town of Porter household and as of this date thirty have been completed and returned. Dr. Jim Collins reminded committee members that the deadline to receive New York State Parks and Recreation funding for this year is June 30th and that Bernie Rotella needs the data on completed surveys.

Vice-Chairman Collard checked on the status of the bids to clear the Park’s Dietz Road fence area of brush and

debris. Supervisor Wiepert advised that he would review those bids. Vice-Chairman Fellows advised that the Youngstown Explorers Post will be volunteering their services on the weekend of May 31st and June 1st and will start cleaning debris from the beach area. Ernie Lavigueur introduced Fran Boltz of the Niagara University Community Outreach Program and she spoke on the volunteer services available to the town park.

Committee members also discussed matters relating to the park opening after Preview Day. The discussion included the hours and days the park should be opened, restroom closure and if the entry gate should be secured at closing or left unlocked. Chairman Bristol requested that Supervisor Wiepert contact the Niagara County Sheriff to have a representative at our next meeting for law enforcement’s recommendations. The Town Board in the formulation of park policies would then consider all these recommendations.

The committee meeting adjourned at 8:15 P.M.

The next Park Committee regular meeting will be held on Thursday, June 19, 2008 at 6:30 P.M. in the Porter Town Hall Auditorium.

Submitted by: Ernest A. Lavigueur

Update 06/09/2008 at Town Board Meeting: "Louise Slaughter looked at POTL and was very impressed. Hopefully there will be federal money available. It was reported that the bathrooms were are now completed. More help is needed to power wash the picnic tables; rope off several areas, etc. The roof on the pavilion was finished in two days by several people who were doing community service. They did an excellent job."
