### **Tax Collector**

Supervisor Wiepert received a letter from tax collector, Sally Hogan stating that her term is up at the end of this year, 12/31/2017 and she would not be running again.

Attorney Dowd was supposed to check and see if there is a procedure to eliminate the elected position by doing a referendum and possibly incorporating the position into the Town Clerk duties. If given to the Town Clerk, where is the money to be collected? Do we need to hire another employee, what about security? These are key issues.

Town Clerk DuBell, was given a list by Sally Hogan describing her duties as Tax Collector and it is quite extensive. Sally also does a lot of her work from home.

## **Collect Tax Money**

The board members discussed if is it safe to collect cash at the front counter or do we just accept checks and money orders only. There are a few people that like to pay in cash because they do not have checking accounts.

Will the Town of Porter accept credit cards from residents paying their taxes and if so, will the customer be willing to pay an extra 3%?

Judge Truesdale: Our bailiff, Timothy Wilkesmore, is retiring from the Village DPW and when he retires from there he has to also retire from his position at the Town of Porter for 1 day. His resignation was accepted on 4/27/17by the town board. His 1 day of not serving with the Town was 4/28/17. Would the board accept his resignation and reappoint him to continue on as our court bailiff?

#### 2017-108

Meeting: 05/01/17 10:00 AM

#### Office Hours

Supervisor Wiepert: This has been a controversial issue amongst employees for quite some time.

Town Clerk DuBell: June 9, 2014 Town hall hours were changed to 8:00 AM - 1:00 PM on Friday's with a half hour lunch.

November 10, 2016, there was a meeting and Councilman White made a motion to change Town hall hours from 8:30 AM - 4:30 PM and Councilman Baker seconded it with a one hour lunch.

November 14, 2016, it was changed from 8:00~AM - 4:00~PM with a one hour lunch. Councilman White rescinded his motion on the same day. It went back to the original time of 8:00~AM - 4:00~PM M - T and 8:00 - 1:00~on~Friday with no lunch.

December 7, 2016 it was decided to wait until after the organizational meeting to make any decisions and after the meeting the hours remained the same with no change.

Supervisor Wiepert: The assessor takes a one hour lunch daily and works until 4:00 PM on Fridays to make up her time. She is alone in the bldg, from 1:00 -4:00 and uses her comp. time to make up the hours.. Does the Town hall go back to a one hour lunch or keep it at a half hour lunch. Several employees feel that we do not need an hour lunch.

Councilman Baker was under the assumption that when Tuesday evenings were cancelled, hours would go back to Monday - Friday, 8:00 AM - 4:00 PM.

Lisa Hastings, Court Clerk: One of the big issues that we ran into on Fridays is that very few people were coming into Town Hall and it was a struggle to get two people here just to man the office so nobody was working alone.

After much discussion, the board decided to table this issue and revisit at a later date.

#### **Town Board Comments**

Councilman Johnston is waiting to hear feedback from the letters that were sent out regarding the senior van. The senior van that is in use now that we share with the village of Youngstown is in bad shape and leaking oil in resident's driveways.

Supervisor Wiepert has been to several meetings regarding the lake water levels and there is quite a lot of erosion going on along the lake Ontario shoreline. He has received several complaints from residents who would like to know if there is emergency funding available to them. At the present time, there is not any federal money available. If it is declared an emergency, they need to be updated every 5 days.

Councilman Johnston spoke with Assemblyman Michael Norris who did come down to the Youngstown Yacht Cub to look at the water levels and he stated that if anyone does call the Town hall about the water levels to tell the residents to document all the changes and take pictures. If the Governor does declare a state of emergency, then there will be funds available.

Town Clerk, DuBell, received a proposal from BAS for the software system regarding the tax collection and at the next meeting she will have copies for everyone to look over.

Councilman Baker inquired about Lakeside Cottages and according to Supervisor Wiepert, The planning board sent a recommendation and the Zoning board discussed this topic on 4/27/17 referring it to the Town Board. When the Town Board receives the recommendation a meeting will be set up with Attorney Dowd.
