II. Reports

1. Report 2020-25

Lwrp

Wendy Salvati Project consultant handed the town board copies of the LWRP Program. Wendy explained the contents in each section. Explained the state program and turning it into a local program to receive grants for the Waterfront Revitalization Program. The draft report is now complete. The next step is to go thru the required 60 day review period and hold a public hearing. SEQR process has to be started by passing of a lead agency resolution. If all goes as planned it can be hopefully be wrapped up by June 2020.

Motion was made Councilman Adamson and seconded by Deputy Supervisor Baker to have supervisor Johnston sign the SEQR stating that the town board will be the lead agency.
