8. Resolution 2023-73

Sub Division Amendment SEQR, Lead Agency Status

**Porter Town Board Resolution to Establish SEQRA and adopt Lead Agency Status
for the amendment of the definition of Sub Division.**

The division of any single lot, tract or parcel thereof, into two or more but not less than four lots, sites, tracts or parcels of land, with or without streets or highways, for the purpose, whether immediate or future, of sale, transfer of ownership or building of development. The sale or exchange of parcels of land between, adjacent or adjoining property owners or where such sales do not create additional lots shall not be considered a subdivision of land so long as such exchange does not result in the creation of an otherwise substandard size lot as defined in these regulations subject to the requirements of 165-9.

The code of the Town of Porter shall be amended by repealing the currently adopted chapter 165, Section 165-9 Minor Subdivision of the Code of the Town of Porter, in entirety, and replace with:

In cases where a transfer or sale of land between neighboring property owners does not create an additional lot or which does not otherwise create a substandard lot not having dimensions otherwise required by this law, the property owners may seek an expedited review of such transfer. The property owners shall apply to the Town Code Enforcement Officer, in writing, seeking approval of such transfer. The Code Enforcement Officer shall refer the request to the Planning Board and Town of Porter Tax Assessor for further review. In such a case the Planning Board may approve such a request without requiring a public hearing or the submission of a survey and depending on the individual circumstances of each request for an expedited review the Planning Board may require a public hearing of any document submissions required pursuant to this § 165-9.

Further amend Chapter 165, Section 36 Definitions as follows;

Repeal the definition of Subdivision, B. Minor Subdivision and replace with:

B. <<https://ecode360.com/16126417>> MINOR SUBDIVISION
<<https://ecode360.com/16126417>>

Any division of a single lot, tract or parcel of land, or a part thereof, into two or more but not more than four lots fronting on an existing street or not involving any new street, road or the extension of municipal facilities beyond the frontage requirements of a single lot within the designated zone and not adversely affecting the development of the remainder of the parcel or adjoining property and not in conflict with any provision or portion of the Comprehensive Land Use Plan, Official Map or Zoning Law of the Town of Porter. A minor subdivision may be deemed a major subdivision if it is part of or contiguous to a previously approved subdivision. Application for further subdivision of any portion of a minor subdivision or for a further subdivision of the parent parcel shall constitute application for a major subdivision. The sale or exchange of parcels of land between adjacent or adjoining property owners or where such sales do not create additional lots shall not be considered a subdivision of land so long as such exchange does not result in the creation of an otherwise substandard size lot as defined in these regulations subject to the requirements of § 165-9 (F).

-Please refer to the handout submitted by Code enforcer Jefferys.

**Attorney Dowd said the Town can adopt Lead Agency status tonight and to schedule the public hearing at the Town Board meeting in July and do the SEQRA. 15. Resolution 2023-81

Resolution Approving Change Order to Swain and Lake Road

RESOLUTION

RESOLUTION APPROVING CHANGE ORDER TO SWAIN AND LAKE ROAD PUMP STATION IMPROVEMENTS

WHEREAS, the Town of Porter Town Board previously awarded Contract No. 2021-1 to Quackenbush Co. Inc., 495 Kennedy Road, Buffalo, NY 14227 in the amount of \$382,800.00, and

WHEREAS, changes to contract No. 2021-1 called for additional upgrades to the electrical facilities at two pump stations, modification of the structural floor materials to stainless steel at the two pump stations, the provision of bypass pumping at two pump stations, demolition of existing flow meters and replacement with mag meters, and

WHEREAS, the aforementioned changes were needed due to the age and condition of the existing electrical equipment in the station, to concerns in the longevity of the proposed floor materials, the Town desired to have the Contractor provide the bypass pumping to ensure that it is available as needed for the Contractors activities and finally replacement of the existing flow meters with mag meters because the previously specified meters would not fit with the pump station reconfiguration and

WHEREAS, this increased scope of work has required an increase of \$130,049.65 to arrive at a new contract price of \$512,849.65,

NOW THEREFORE BE IT RESOLVED, the Town Board of the Town of Porter authorizes this increase of \$130,049.65 to Contract No. 2021-1.
